Jewelry, Industry Accounting, Tax, and Advisory Services

AN EXTRA DIMENSION IN
SERVICE, QUALITY, AND RESULTS

"All that glitters is not gold" the saying goes. That's why it is critical for jewelers to rely on an accounting firm with specific, in-depth expertise in their industry.

The best jewelers in the industry work with the specialists at Hoberman & Lesser.

Our domestic and international jewelry industry clients include retailers, wholesalers, designers, manufacturers, distributors, importers, and loose stone dealers. Our team of professionals also has strong ties to bankers who serve the jewelry industry. Clients in the jewelry industry rely on Hoberman & Lesser for advice to help them meet their financial and accounting goals and improve their business operations. In addition to accounting, auditing, and tax planning and preparation, we offer services that are tailored services to the unique needs of jewelry industry clients.

"Jerry Blickman, Inc. has been using the services of Hoberman & Lesser for over forty years. Obviously, we are very satisfied with the job they have done for us. Their professionalism and competence gives us a comfort level that would be difficult for us to find elsewhere. It is reassuring to know that Hoberman & Lesser can answer all our questions and resolve any difficult business, personal, or financial situation that may arise."
